

# DISCOVER THE REVOLUTIONARY EXPERIENCE OF WONDERTOUC

WONDERTOUC is not just another aesthetic tool—it is a groundbreaking innovation that originated in the world of sports medicine, physical therapy, and post-surgical care. Now adapted for the aesthetics industry, this advanced technology offers unparalleled benefits for both cosmetic and therapeutic applications.

WONDERTOUC treatments provide a unique experience like non-other, delivered through your provider's own hands similar to a warm massage, or through a specially designed hand piece. This personalized approach enhances the treatment experience, creating a soothing and relaxing sensation while delivering effective results.

## FAQS

### HOW DOES WONDERTOUCHE WORK?

WONDERTOUCHE delivers RF energy beneath the surface of the skin via a handpiece or through your treatment provider's hands as they perform a custom massage. This energy gently and comfortably heats the dermis to stimulate the building blocks of younger-looking skin—collagen and elastin.

### WHAT MAKES WONDERTOUCHE DIFFERENT?

The magic of WONDERTOUCHE lies in its unique 448 kHz monopolar RF technology. Unlike traditional RF devices, WONDERTOUCHE provides a gentle yet powerful treatment that works from head to toe, offering versatility and safety for all skin types.

### WHAT DOES WONDERTOUCHE FEEL LIKE?

A unique experience like no other, WONDERTOUCHE feels like a relaxing, warm massage—yielding wonderful results without pain or discomfort.
